***Celebration of Good Behavior  
 Karaoke  
 Friday, March 26<sup>th</sup>***

***Treat: Lollipop***

**Lunch Money** – Notices for unpaid lunches are being sent out. Since Sequoia never refuses lunch to their students, please communicate your lunch routine expectations with your child. If you think you might owe, you can check with the cafeteria workers in the morning before school. School lunches can be paid for in advance in the cafeteria.

**Reminder** - During parent teacher conference week, March 1 - 5, students will need to bring a light, healthy snack. Lunch will be served at 1:15 (dismissal time).

**Lost & Found** – Plenty of coats are waiting to be claimed in the lost & found, located in the back of the lunch room. These coats will be donated at the end of the school year, so don't forget about them when the weather's warm.

**Cookie Dough** – It's time to get out and sell that cookie dough. Funds from cookie dough sales will help raise money for field trip expenses for Sequoia students.

**Book Swap** – Sequoia will hold its 3<sup>rd</sup> Annual Book Swap in the multipurpose room Friday, March 19 from 2:30 to 4:00p.m. It's not too early to get started looking for good quality children's books that your student no longer needs or reads – especially chapter books. Used books can either be exchanged book for book, or purchased for .50 cents each. We hope your family can take advantage of this opportunity to add to your child's reading experience. Please see upcoming flyer for more information.

**Attendance Information** - Every day that a student is absent costs the District \$38.99. This quickly adds up and resulted in \$4.6 million for the month of November. Our schools loss for this school year so far is \$89,092.15. Please be mindful of this, and send your student to school every day. Only keep your student from school for health absences.
